

THE PETROLEUM PROJECTS & TECHNICAL CONSULTATIONS CO.

SINCE 1975

The background of the advertisement is a composite image. The left side shows a large industrial structure, possibly a refinery or petrochemical plant, with a complex network of pipes, ladders, and platforms, all rendered in a dark red color. The right side shows a modern, multi-story building with a curved facade and a glass exterior, set against a clear blue sky. The overall composition is split vertically, with the industrial side on the left and the modern building on the right.

ONE OF THE EGYPTIAN PETROLEUM SECTOR COMPANIES

A program which is tailored to think about benefits to others. We care program was conducted to deliver a message to our STAKEHOLDERS that caring about them is a continuous action.

WHY WE CARE

At PETROJET our vision is to be among the major construction groups in the world in the next 10 Years. Fulfilling such an ambitious vision is not an easy task. It requires a long term plan that reflects all aspects of business. We are here to grow and develop which means being sustainable is inevitable. As top management we have decided to sum up our strategy in two words: We Care...

At PETROJET we care about major projects in the same manner we care about the smallest details; We care about efficiency whether it is delivering a project on time or simply ensuring that the mail reaches the addresser's workstation on time.

THE GOAL IS TO CREATE VALUE ON FOUR LEVELS:

*Your Experience
Helps Grow our
Future.*

COLLEAGUES

SHAREHOLDERS

*"Keep the Ball Rolling"
& Maintain Revenue
Maximization.*

HOW WE CARE

*Client Satisfaction is
Our Most Important
Core Value.*

CLIENTS

SOCIETY

*The Society Provides
the Main Framework to
our Business.*
